PROFESSIONAL SUMMARY

Entry-level Project Manager with practical experience facilitating project simulations and coordinating cross-functional operations. Proven ability to manage timelines, coordinate teams, and deliver structured outcomes across agricultural operations and client-facing roles. Skilled in Asana, Microsoft Project, Trello, and stakeholder communication with foundational knowledge in Agile/Scrum methodologies. Seeking to leverage hands-on project coordination experience in a Junior Project Manager, Project Coordinator, or Associate Project Manager role.

WORK EXPERIENCE

Front Desk Operative |DE-DYNAMIC TEA INVESTMENTS & SERVICES LTD, Lagos, Nigeria
October 2022 – February 2023

- Managed front desk operations and served as first point of contact for clients
- Responded to inquiries via phone, email, and in person with professionalism
